THANK YOU!

For over a year, you've hung with us as we did our best to keep both you, and our staff, safe. Our staff is our family and you are our family, so everyone's safety was always our foremost concern.

SO THANK YOU FOR BEING A MEGA BOSS!

Moving forward, here's the deets:

Please flip your can to green for service! Green means one of our fabulous staff will hurry on over to take your order.

Please no ordering at the bar; it'll help keep everything running smoothly if all orders are placed through a server.

2 hours for each reservation/visit, after which time we may need your table for an incoming party (just a heads up!)

Don't forget to get a 4-pack or 6-pack of cans to go! Bring some Newburgh home with you and share the love.

CHEERS!
